Working with the community to create a legacy of trees.
The Coastal Bryan Tree Foundation is a volunteer outreach of the Richmond Hill - Bryan County Chamber of Commerce. We are a non-profit, educational organization with a focus on restoring canopy shade trees to our community. We are supported by contributions from individuals, other non-profits, businesses, organizations, and governments. The Foundation values tree canopy as an essential element in the quality of life on the coast. We recognize trees as economic, esthetic, and ecological assets for today and as a legacy for future generations.
